A Sprint is a fixed period in which a team works to complete a set of tasks. An Epic is a large project broken into smaller stories. A Story Point represents relative effort.

Story Point Model

- **1 — Very easy**
- **2 — Easy**
- **3 — Moderate**
- **5 — Difficult**

Sprint 1

Epic	User Story / Task	Points
Booking	Select source and destination	3
Booking	Choose Single / Return	2
Booking	Enter passenger count	1
Fare	Calculate route fare	3
Checkout	Select payment mode	1
Ticket	Generate QR ticket	3
Data	Maintain station records	2

Sprint 2

Enhancements: richer ticket history, dynamic fare master data, reporting dashboard, QR validation, notification integration and production payment gateway.
